About This Game

A very short first person experience made for a game jam using an environment asset pack. If you want to play a game that we haven't seen anyone able to play longer than 5 minutes, then give this free game a try.

Story

You wander through a complex facility that seems to be out of this world. Explore what is around every corner in hopes for answers to where you're going and why.

Features

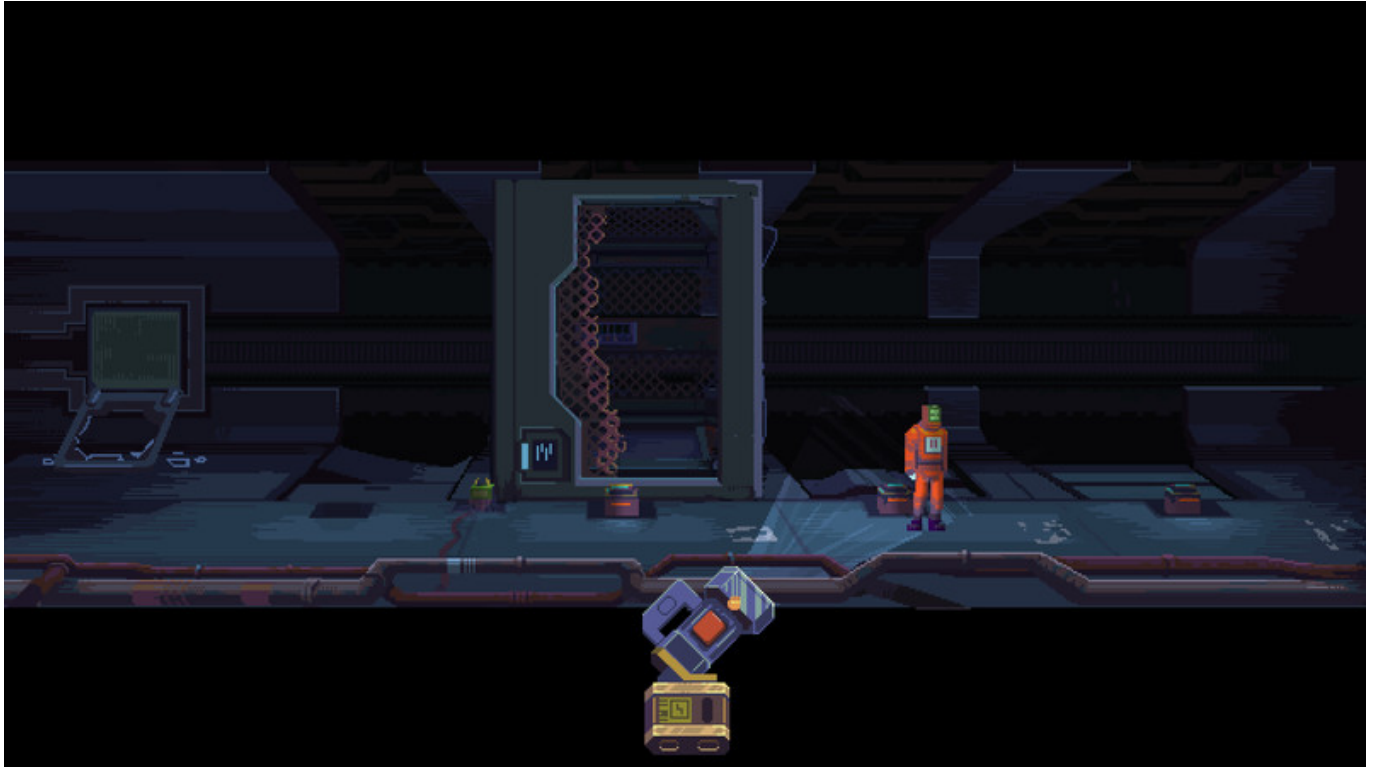

- In First Person, explore strangely designed corridors.
- Horror experience, encounter creepy sounds.
- Discover you may not be alone.
- Short but time efficient.
