About This Game

It's time to unleash your inner Pug!

Turbo Pug is a casual runner with difficult, random, procedurally generated levels.

Enjoy random weather and try to avoid getting zapped by lightning.

Unlock new costumes for your pug and new characters to play as.

Please try not to squish your pug!

Turbo Pug has an awesome original soundtrack, created by the super dude Felix Arifin.

Features!

- Random, procedurally generated levels.

-
- Random weather
 - Get pug points by running as far as you can without dying and by collecting super shiny Pug coins.
 - World Leaderboards! Run further than your friends and other Steam users, be top of the leaderboards and win real prizes! (Prizes include things like Steam keys, Steam gift cards etc)
 - A cute-awesome soundtrack featuring real life doggies!
 - Unlock new costumes for your pug and new characters. Each with special traits that change how your character runs, jumps and falls.
